Mira Costa Orchestra Program Donation Form for 2011-2012

The Orchestra Boosters are proud to say our orchestra program is strong and growing and we now have approximately 135 participating students! The students are supported through the Orchestra Boosters as we are responsible for paying nearly all program expenses. These expenses include music purchases, instrument purchases, concert production (posters/programs/ticket printing, publicity, supplies), concert CDs (production costs, mechanical licensing), coaching specialists, festival expenses (fees, bus transportation), instrument maintenance, scholarships, and more. We rely on support from our families, friends and community members to keep our program strong and to provide an enriching experience for our students. Please consider making a donation to our orchestra program and invest in our fine young musicians.

Donation levels will be acknowledged in the concert programs and all donations are tax-deductible.
